		Total £525.00

During the pandemic school continued to encourage pupils to be actively involved in physical activity through ‘the joy of moving home school festival,’ and a virtual sports day in June and received a certificate for our ongoing commitment and achievement of virtual programmes during the summer term. We maintained the Gold standard for the Great Active Sunderland Schools Chartermark.

Due to the coronavirus pandemic the full sporting fund was not spent and will be used to focus on the well-being of pupils and the importance of physical activity. Many pupils missed 6 months of schooling and as a result of lockdown school have seen an increase in child weight gain.
