Dear Parent/Carer,

Following the Government's announcement yesterday our school is now only open to vulnerable children, children with a social worker and children where both parents or single parent households are critical workers, all other children will receive remote learning to enable them to work from home.

Please can you complete the below table to help us collate all information needed, if your child is classed as any of the above and if you intend to send your child to school. Please can you return this form today via email to fatfield.academy@inspiremultiacademytrust.co.uk so we can make the necessary arrangements in school.

The school day will begin at 8:45. The end of the school day will remain unchanged at this time however it may be subject to a review once we have definite numbers. Children will be taught in classes and these may be mixed year groups depending on numbers and staffing.

Kindest regards,

T. Pizl

Headteacher
