Nature of support

The government offers funding to tackle inequalities between children on free school meals and their peers called the pupil premium. Pupil Premium funding supports pupils who are currently eligible for free school meals, or who have been eligible for free school meals at any point in the last six years.

For the academic year 2018/2019 our pupil premium funding was £65,090.00 which we allocated to the following areas:

- Retention of support staff
- Small group Music tuition with peripatetic teacher subsidised.
- Educational visits including residential visits subsidised
- Nurture groups
- Staff CPD – Kidsafe/ACE
- Access to OOH provision.
- Attendance monitoring
- Resources

Measuring the impact of PPG spending

The impact of that expenditure on pupil premium children was as follows:

- All children received specific individual support with core subject intervention sessions. This targeted provision was successful for most pupils in enabling them to catch up with other pupils if they had fallen behind and for others, to accelerate their progress further.
- 100% of Year 6 PP pupils attended the outdoor and adventurous residential to improve independence; develop team building and provided access to challenging outdoor activities..
